Britain's first Sake brewery operates out of the unlikely surrounds of Peckham, South-East London. Founders Tom and Lucy Wilson, were so inspired by what they saw and tasted in Japan that a few years ago they began home-brewing Sake with great success. Thanks to word of mouth and the fantastic quality of what they produced the hobby expanded to become a commercial operation. Rice is source from both California and Japan and

traditional Japanese yeasts and Koji are used. The brewery maintains an ongoing dialogue with producers in the supportive Sake community in Japan where their work is gaining recognition. Kanpai Sakes have already begun to win awards and national recognition with presence in Michelin starred restaurants. The quality more than matches that of their Japanese counterparts. 70% milled super-premium Japanese Gohyakumangoku rice.

Tasting Note: An off-dry style with complex pear, melon and caramelised nut flavours with a refreshing finish. Food Match: Ideal with oysters, sushi, sashimi or grilled prawns

Closure: Screwcap Awards: IWSC Bronze, Great Taste, London Sake Challenge

Commendation Attributes: Gluten-free, Preservatives-free, Sulphite-free and Vegan
