Even though the brand is less than thirty years old, Broker's is steeped in history, from its distillery that dates back 200 years to its playful, bowler hatted nod to London's commercial history. It has been making some history of its own, too, setting a record high score for gin at the Ultimate Spirits Challenge. The traditional recipe gives a lively gin, balanced between crisp citrus and earthy spice. Aside from the classic gin and tonic, it makes a beautiful 50/50 Martini.
