Styled as 'true English gin,' Hayman's prides itself on its subtlety and nuanced complexity made in the three stills affectionately named Majorie, Karin and Mirander. Hayman's Old Tom pays tribute to the old gin days of yore, with this Victorian recipe, richer than a usual London Dry, with the classic Hayman's signature of citrus and pine, but also a slight underlying sweetness - it is this typicity that marks Old Tom out from the rest. Try it with some Jersey Oysters for a taste sensation!
