Our Gin has been carefully distilled with only the best botanicals to create a superb infusion with delicious British strawberries, a hint of English lavender and a touch of British honey. Only the best, freshly picked strawberries are used to create this refreshingly fruity spirit.

Light, clean palate of fresh strawberries with delicate notes of floral lavender.

Serve suggestion: Muddle the gin with 2 strawberries and freshly ground pepper (1/8tsp)

in a shaker. Serve in
copa/balloon glass with ice
and topped with tonic and
garnish with fresh
strawberries.
