Zignum is the first of its kind, a premium distillate that is clean, crisp and primed for mixability. Showcasing the agave in its purest form, Zignum is a celebration of Mexico's culture, taste and passion for refinement. Drink it neat or mix it, the result is an authentic experience that is stripped of excess.

Founded in 2007 by Casa Armando Guillero Prieto (CAGP), who owns the largest Mezcal distillery in the world with state-of-the-art technology and highly qualified people. It is a 100%

Mexican company using standardised processes and the highest possible quality.

Tasting Note: Honouring its name, this product has an intense glow and luminosity at all times. Its soft aroma and taste contain the sweet distinction of the agave from which it proudly originates. Perfect to enjoy neat or in cocktails.
