When Greece was trying to recover, after its liberation from the Turks, Ioannis Fix came back from Munich to find his father. Ioannis moved to Heraklion (Attica) after his father was shot dead in Magoufana (currently the area of Pefki), to start producing beer as many Bavarian officers had moved to Greece during that period.

As a result, Ioannis Fix started making the first beer in Greece, which was named after its family, FIX.

FIX Hellas combines the high quality and reliability of a

historic brand, consisting one of the first choices of consumers, not only in Greece but also in many foreign countries, where it is exported.

**Tasting Notes:** FIX Hellas is an ideal proposal for every occasion and any time of the day, with soft and full flavour, balanced bitterness, a smooth & rounded aftertaste and a refined bouquet of aromas.

**Food Matching:** Grilled seafood, salads and spicy food.
