Like all Meantime beers, London Pale Ale enjoys a full and lengthy maturation in their new, state of the art, high tech brewery and leaves the premises unpasteurised, to ensure that the drinker is in no doubt that brewing is firmly back on London's cultural map.

Tasting Notes: "A complex, heady mix of spearmint, grass and 'hop sack' aromas. The fruit on the palate gives way to a very dry finish with a slight lingering bitterness, that calls for a further sip, which is truly characteristic of the Pale Ale style."
