Meaning moonshine in Polish, Bimber is London's newest micro-distillery. Using 100% natural ingredients and traditional methods, Bimber has handcrafted a range of premium spirits with no artificial colours or additives – just a pure and natural taste!

Tasting Notes: Complex and earthy, and very appreciable to taste. Vanilla balances out the berries. There's a touch of clove in there for an extra edge. Only the finest natural blackberries have been included for full flavour.

A smooth and refreshing finish. Savour it – you'll notice the depth of the berries and the added vanilla and clove linger long after it has gone.
