Uncork the flavour of the Saar and raise a glass to Ferdinand's Saar Dry Gin. Ferdinand's Gin is commemorating its 8th birthday with its ever popular collector's edition. The 8Y Anniversary Collector's Edition is refined with apricot flowerhoney from over 30 bee colonies living and working on the estates around the distillery. The botanicals are homegrown and hand selected with the special addition of the highly aromatic kings apricots from their own

orchards. As always, their gin is infused with their signature Riesling from the VDP-estate Forstmeister Geltz-Zilliken - a Spätlese from 2016. The Collector's Edition is delivered in a beautiful sunny yellow glazed original Ferdinand's glass bottle with an elaborately printed label in a special glorifier - a homage to the honeycombs along the Saar valley. On the nose, enjoy notes of ripe citrus yellow tropical fruits, opulently juicy rich sun-kissed apricots, pollen-like honey and noble sweet Riesling giving way to concentrated fresh apricot flesh and skins flavours with notes of honey, sun-dried Riesling grapes, juicy citrus and tropical fruits with a touch of wine citrus acidity.
