The name Penley Estate comes from the amalgamation of two pioneering South Australian wine families, the Penfold's and Tolley's. And born of a dream of three siblings in 1988. Today the estate is owned by sisters Ang & Bec Tolley, and like their ancestors they are strong, resilient and determined women. Their history is a rich mix of endeavour, passion and vision with a touch of scandal and madness thrown in for good

measure.

The region of Coonawarra is a 16km strip comprising of iron and nutrient rich soil famously called terra rossa, and has become one of the most renowned terroir soils in the world. Known in particular for its Cabernet, the wines of Coonawarra show classic cassis and blackberry flavours with enhanced characteristics of spice, aromatics and minerality derived from the soil due to its good fertility and drainage.

Maturing the wine in French oak, winemakers, Kate Goodman and Matt Tilby are committed to creating contemporary Coonawarra varietal wines.

Drinking fantastically now and well into the future. An excellent example of Coonawarra Cabernet. Suggested decant before drinking.
