Château Vieux Moulin is a 200-year-old estate located in the Languedoc appellation of Corbières. After finishing military service nearly 20 years ago, Alexandre They returned to his family estate to help out. Soon afterwards he was given the opportunity to take over the estate despite very limited winemaking experience, but the choice was either take on the responsibility, or sell. Alex in jumped in and learned on the job, as the 7th generation of his family to run the

domaine. He's now regarded as one of the Languedoc's most exciting and progressive winemakers.
