On the Island of Hven located in the strait of Öresund between Denmark and Sweden lies the Spirit of Hven distillery. Founded in 2008, this family owned distillery became the third pot still distillery ever to be built in Sweden and is one of the world's smallest commercial pot distilleries.

A medium peated well matured Swedish single malt whisky, Tycho's star is made from a mash bill based on three types of barley, Pale Ale Malt for the grassy base notes,

chocolate malt for enticing
caramel notes and heavy
peated whisky malt to create
the leather, liquorice and tar
scents.
