

HAYMAN'S DRY GIN (20CL)

£11.90

SKU: GIHAY020

Categories: [Gin](#)

Styled as 'true English gin,' Hayman's prides itself on its subtlety and nuanced complexity made in their three stills affectionately named Majorie, Karin and Mirander. Ten botanicals from around the world are steeped in wheat spirit in a recipe that has not changed since its inception 150 years ago giving notes of crisp citrus and exotic spice. A twist of lemon is the simple garnish required. This delicious gin marries perfectly with gravadlax of salmon.
