"This has a polished and complex nose of poached plums, dark cherries, tea leaves, graphite, milk chocolate and a touch of caramel. It's medium-to full-bodied with firm yet creamy tannins. Caressing, seductive and ripe, but with underlying freshness. 97% tempranillo and 3% cabernet sauvignon. Tasted from magnum. The normal bottle will be released 2023 and the magnum in 2025. Try after 2023." 98/100 James Suckling
