**Tasting Notes:** A fabulous higher-than-average proof gin from the southwold-based adnams brewery. Made with a complex and powerful blend of 13 botanicals to complement the strength of this spirit, it delivers aromatic spices mingled with juniper and softened with hints of citrus.

To serve, cut a fresh sprig of thyme from the garden and wrap a long, thin piece of zest from an unwaxed lemon around it and add both to your glass as a garnish.
